There is a new process for completion of the Developmental Disabilities Specialty Training

- Developmental Disabilities Specialty Training is now a **four hour online course with only 2 days of in class training**, for a total of 16 training hours.
- To begin the online portion you must be registered for a DD class to get the site address, login and password.
- All four online modules must be completed **BEFORE** attending the in class portion of the training.
- You **must bring the printed and completed study guide** from the online portion to the in class training as proof of completing the 4 hours of online modules.
- Training is limited to 25 attendees, and registration will be closed once all openings have been filled.

DD Specialty Training is still a **FREE** introductory training intended for individuals who support people with developmental disabilities. Specialty Training hours can be used for a possible 16 approved hours see WAC 388-112-0225 and 388-829-0240. You must complete online portions and attend both days, then pass a written test to receive your specialty designation and certificate. Successful completion of this class fulfills the WAC requirement for AFH, Assisted Living homes and Alternative Living providers. This is not an approved CE for Individual Care Providers.

The meeting site is handicapped accessible and additional assistance or accommodation is available upon request.
